

NOTE: The Octo-Z is on a bi-annual Service Schedule. The first year is a pressurized leak test and visual inspection only. The following year is a complete tear-down and replacement of kit parts. Alternate each year after.

***NOTE:** Parts in this diagram marked with " * " are included in the Octo-Z Annual Service Kit, p/n 345-7000

Octo-Z

Yellow Body: P/N 320-7200YL
